

Homeopathy Congress
of Minneapolis, MN
Articles of Association

1.-The Homeopathy Congress (herein also referred to as the Congress or the Ministry) has founded itself in the rights of its members to seek spiritual fulfillment according to personal beliefs, and upheld by the Constitutions of the United States of America and the State of Minnesota. The Homeopathy Congress sets forth to share our beliefs and assumes the legal right to appoint members into this congregation with titles of office deemed appropriate by the governing body (the Board of Directors, or the Board)).

Homeopathy Congress has founded itself as an Affiliate Ministry of the Universal Ministries of Illinois, a fully recognized Church under the laws of the State of Illinois and Internal Revenue code.

A.-All persons seeking membership within the congregation of the Homeopathy Congress are by virtue of these articles granted title and authority of ordained clergy of the Homeopathy Congress and the Universal Ministries.

The Homeopathy Congress shall be made up of two classes of members. The first class of members shall be known as the Board of Directors. These are the voting members. The second class of members shall be known as associate members and shall have no vote in the operations of the Ministry.

The Homeopathy Congress does not limit authority of ordination based in the teachings of man to the few, but accept that all are called to serve God as God's priesthood within the faith of the individual. The Homeopathy Congress accepts each member as part of the congregation as a whole while acknowledging each ordained member(s) as an independent Ministry affiliated with, but not limited to serving only within the Homeopathy Congress. All members of Homeopathy Congress, by accepting their membership, profess their belief in Homeopathy as set forth by our Master Samuel Hahnemann in his divinely inspired book *The Organon of Medicine*.

B.- The Homeopathy Congress being made up of many faiths do not limit the education of our youth to the doctrines of any one faith. We allow the ordained member(s) of each family to educate their youth within the beliefs of the individual family unit and to share the Statement of Faith of the Congress with the youth, as all faiths lead to God.

C.- Nonvoting membership of the congregation of the Homeopathy Congress accepts the Board as the controlling authority of the Association. Members agree to hold harmless the Homeopathy Congress of any debt, obligations, civil or criminal litigation of an individual member or any group thereof not appointed by the Board.

They shall serve as the controlling body of the Ministry, and all decisions made by said body shall be binding upon the members. Upon resignation or death of any member, the remaining members of the Board shall appoint a replacement to the open post via simple open vote, with the majority ruling.

A.-Appointment to the Board of additional members will require the majority vote of the Board to add the new member(s) to the Board.

B.-The Board of the Homeopathy Congress shall at their discretion appoint a board of officers to maintain the daily operations of said Ministry. Length of term of said officers shall be set by the Board.

C.-The Board shall appoint agencies to handle the daily business operations of the Congress in regard to maintaining the registry of members as well as the income related to the operations of the Congress. Said agencies will be independent of the Congress in business practices, yet governed by the Board in regards to member(s) privacy. Ownership of membership registry, authorities and seals, remain the sole property of the Homeopathy Congress.

No daily allowance will be provided for members beyond actual expenses of the member and all expenses shall be approved by the Body through vote before remuneration is granted.

A simple majority of members of the Board shall be considered as quorum and have the authority to pass resolutions and regulations of the Ministry.
